

THE
CUT & CRAFT
STEAK RESTAURANTS

**“The Cut and Craft is oozing with style -
but has the substance to match”**

The Yorkshire Evening Post .

From feasts of 60-day aged steak and sustainable seafood, to wine pairings, casual lunches, dinners and expertly crafted cocktails and canapés, our Guest Experience Managers will work with you to create a private dining experience like no other.

With names inspired by historical Leeds figures, we have created group dining menus featuring our favourite and signature dishes at a range of prices to best suit your occasion.

You can also add a cocktail (or Champagne) and canapé reception beforehand, after-dinner drinks, and even gifts for your guests to take home. We also offer a curated selection of incredible wines to perfectly accompany your meal.

We can also help to provide anything else you require to make your event extra special - be that bespoke menus, a DJ, live entertainment, photographers, table decorations and more.
